

Media Mentor Training

Tuesday, October 6 2015

9:15-3:30 Florian Gardens, Eau Claire

AM Session: Erin Walsh will discuss the appropriate and intentional use of technology in the context of brain development and child development theory

PM Session: Chip Donohue will help us apply morning topics as we think about how to help families make sense of their media diets as Media Mentors

Register for this free workshop by September 28

Register here: <http://tinyurl.com/kovugd8> or call Leah at 715-839-5082 ext. 114

ALL are welcome--lunch provided

Erin Walsh, M.A. has addressed a wide range of audiences on topics related to brain development and raising resilient young people in the digital age.

Chip Donohue, PhD, is the Dean of Distance Learning and Continuing Education and the Director of the TEC Center at Erikson Institute in Chicago. He is a Senior Fellow at the Fred Rogers Center for Early Learning and Children's Media.

This workshop made possible with a grant from
