

Wisconsin-based Water Conservation Organizations and Opportunities

Compiled by Anne Moser, Wisconsin Water Library

Wisconsin Land and Water Conservation Association

Clean Wisconsin

Alliance for the Great Lakes: <https://greatlakes.org/>

Gathering waters: <https://www.communityshares.com/our-members/gathering-waters/>

Rock River Coalition: <https://www.communityshares.com/our-members/rock-river-coalition/>

Wisconsin Wetlands Association: <https://www.communityshares.com/our-members/wisconsin-wetlands/>

Upper Sugar River Watershed Association: <https://uppersugar.org/>

Around Milwaukee (lots of equity work)

Mke Water Commons: <https://www.milwaukeeewatercommons.org/>

ReFLO: <https://refloh2o.com/about-reflo>

The Water Council: <https://thewatercouncil.com/about-us/>

Field EDventures: <https://www.fieldedventures.org/>

Lake Superior Watershed: <https://superiorwatersheds.org/about/100-local>

This is a good list of organizations to consider supporting in WI:

https://greatnonprofits.org/state/Wisconsin/category:Water/sort:review_count/direction:desc

Wisconsin Lake Association: <https://wisconsinlakes.org/>

(Of note: Clean Lakes Alliance for Dane County, Riveredge does amazing water education work, Ducks and Trout Unlimited for those species, Sturgeon for Tomorrow for Lake Sturgeon)

Community Science/Citizen Science Opportunities related to water:

There are some great opportunities in Wisconsin:

<https://wateractionvolunteers.org/>

<https://dnr.wisconsin.gov/topic/lakes/clmn#:~:text=The%20Citizen%20Lake%20Monitoring%20Network,share%20this%20data%20and%20knowledge.>

And for many other topics:
