

**5 minutes.
One question.
Huge impact.**

Our elected officials
and funders need to hear
from you so they have a clearer
understanding of what the
public library adds to our community.

We've made it so easy! Use the online form or a paper form to tell us your story. We'll do the rest.

Short or long, your story makes a difference!

DO YOU NEED SOME HELP TO GET STARTED?

What is a Library Love Story? It can be an answer to any of the following questions.

- How has the library helped you out of a tight spot?
- What do you usually do when you come to the library? Or why did you come in today?
- What is the strangest-sounding problem or question a librarian has helped you resolve?
- What do you look forward to the most about the library?
- What's your favorite reason for coming to the library?

Your story can be short or long. We've got coloring sheets for kids, too!
