Classes & Events

We provide opportunities for lifelong learning, discovery, and literacy through storytimes, craft programs, expert presenters, summer and winter reading programs, and more. We endeavor to create events that will spark imagination and curiosity in all of our community.

Outreach

We believe in the power of community connections, so we take our programming off-site and work with community partners.

In 2023, we worked with local senior centers, NRSD, Kiwanis, SHINE, the Heritage Center, Jewelltown Roastery, 45th Parallel and others.
