

Explore MORE Passport Program 2025: Fun and Games at the Library

Library Passport Game Rules

Just like in previous years, participants will pick up a **Library Passport** from their local library—or download one online.

New This Year: Stickers Instead of Stamps!

Each participating library has its **own unique playing card sticker** (e.g., Bloomer = 8 of Hearts).

When participants visit a library, a librarian will place their sticker in their passport in the correct spot.

How to Earn Entry Forms

There are **three ways** to earn entry forms for the prize drawing. You can earn up to **9 total entries**.

1. Collect 7 Stickers = 1 Entry Form

- For every **7 different library stickers** you collect, you earn **1 entry form**.
- You can earn up to **7 entry forms this way** (49 stickers total).
- The librarian will **mark an X** through the 7 used stickers to show they've been redeemed.

2. Bonus Entry: Make a 7-Card Straight

- Earn **1 bonus entry** by collecting **7 stickers in a row** in the same suit (like a 7-card straight in cards).
- Example: On the **Hearts page**, collect 7 libraries in a row (e.g., Balsam Lake to Cameron).
- A librarian will **draw a line through those 7 libraries** to confirm the straight has been used.

3. Visit Non-MORE Libraries = 1 Extra Entry

- Earn **1 more entry** by visiting **non-MORE libraries**.
- Use **non-MORE libraries** you visit and **unredeemed MORE library stickers** to make a set of 7.
- A librarian will mark an **X through the 7 stickers** once redeemed.

Total Possible Entry Forms: 9

- Up to 7 from collecting stickers
- 1 from a 7-card straight
- 1 from visiting non-MORE libraries

We still want to keep a tally of how people participated. I'll have a tally sheet. Hash marks work just fine. Please keep track of how many passports you hand out, how many stickers you hand out. Entry forms all come back to me, so you don't need to track those.

We do NOT collect passports as part of this program. These are souvenirs of the program that participants can keep.

At the end of the program, you'll send me your tally sheets and entry forms.
