

THE SCRIBBLE GAME

The beauty of this game is its simplicity. All you need is paper and something to write with. It can be as simple or as complicated as you want to make it. Hands-down my kids' favorite game to pass the time while waiting in a restaurant, or in the car.

**#1. ONE PERSON
MAKES A SCRIBBLE.**

**#2. ANOTHER
PERSON MAKES IT
INTO SOMETHING.**

That's it! It's more fun if every solution is correct (there is no "wrong" way to scribble). Time limits optional and only if that adds fun to the game. Start on the back of this page!
